

Spread Holiday Cheer and Ring in Savings with Help from CVS Pharmacy

Shoppers can safely and quickly find hundreds of affordable gifts under \$20, plus personalized photo cards and gifts, gift cards, stocking stuffers and more while shopping for everyday health needs

WOONSOCKET, R.I. – November 10, 2020 – CVS Pharmacy®, the retail division of CVS Health, is delivering unbeatable savings to customers looking to spread cheer this holiday season. CVS makes it easy to discover all the ways to make holidays special while picking up everyday health needs, prescriptions, or getting a vaccine. With convenient touch-free payment options, including the upcoming addition of PayPal and Venmo, home delivery services and in-store safety measures, holiday shoppers can be confident in a safe and seamless experience. They'll find hundreds of affordable gifts under \$20, unique stocking stuffers, personalized photo keepsakes, toys for all ages, and more - all in one convenient place.

In addition to everyday value, customers can take advantage of coupons and save in new ways this holiday season. From Thanksgiving through New Year's Day, ExtraCare Rewards members will experience exclusive and personalized offers in email, through app push notifications and text messages. Personalized offers could range from freebies to deep discounts on everything from gift wrapping and stocking stuffers, beauty and personal care products, greetings cards and more. ExtraCare members will also have access to a special "Spend \$30, get \$10 in ExtraBucks Rewards" offer on select in-store and online items (through December 12th) as well as weekly photo deals. Customers are invited to sign up for the [ExtraCare Rewards program](#) on CVS.com or by visiting [CVS.com/email](#) to ensure they receive the latest holiday deals and gift suggestions.

"This holiday season will be different for many of us. We want our customers to be able to simply and affordably check all the things off their holiday shopping list," said George Coleman, Senior Vice President of Merchandising at CVS Health. "We are doing everything we can to make their shopping experience safe and as stress-free as possible, especially if they are on a budget. They can shop for their holiday gifts and everyday health essentials in-store or online and take advantage of our convenient delivery options."

Customers can have a number of self-care, beauty and health products sent directly to their door through one of CVS' home-delivery options, including [CVS.com](#) and [InstaCart](#), or [DoorDash](#) available in select locations.
